Subject: WINSTON TIRE ASH TRAYS

As follow up to our meeting in Winston-Salem February 19, 1997, I am waiting to hear the exact number of tire ash trays you have available.

Our intentions are to utilize these at Amerada Hess Corporation tying into their grand opening of a new store in Daytona, Florida as well as around the Loudon, New Hampshire and Pocono, PA Race.

As soon as possible please advise me how these are going to be packaged and what my costs will be per SKU.

Please immediately forward two (2) or three (3) sample ash trays to:

Nick Kuruc
400 Raritan Center Parkway
Raritan Center
Edison, NJ 08837

and to:

J. M. Piscitelli
5308-12 Porter Road
North Olmsted, OH 44070

Your follow through would be greatly appreciated.

You also mentioned in our meeting that you may have Champion card sets and race tickets available. Please let me know.

Jim Piscitelli
